MEDINIAN

Yearbook of

MEDINA HIGH SCHOOL

Medina, Ohio

The 1956 Medinian Staff takes pleasure in presenting the last yearbook to be issued from our present high school building. Next fall our yearbook will be published from a lovely new high school made possible through the efforts of the generous taxpayers of Medina.

In a brief sort of way we will try to show what goes on in M.H.S. other than regular classtime activity. We have pictures of students and school personnel for memory's sake.

STAFF

MARLENE LEISTER, SECRETARY

JIM KROSKY, CHARLES JACOT, ED SMITH

We are grateful to our Kitchen crew for providing us with tasty and varied lunches. Due to a photographic difficulty their pictures do not appear.

Through the illusion of motion placed periodically throughout our publication we hope to add interest and style to your Medinian. This also demonstrates the action of the student body of M.H.S., for it also is in perpetual motion.

The students' motion starts in our school as they first enter its doors in the morning. Next in their daily pattern is their flight to first period classes. From that time on they are in constant motion to and from classes. Some where in between classes there is a break for lunch. This means a run up town, a quick jaunt home, or a short race to the lunch rooms.

By the last period feet are dragging to classes, but there is still motion. After the final bell students lope up town for a coke, hurry off to a job, or dash for home. Following this they participate in sports, music, drama, clubs, and many other extra-curricular activities provided by our school and community.

Medina has always been proud of its athletic events. Our football teams are usually outstanding, displaying the essentials of a successful season: good sportsmanship, fairplay, and honesty. Although we were short in the win column, both players and spectators have fond memories of last season.

We were especially proud of the results of our basketball teams and of the individuals who brought honor to us as well as to themselves. We hope that you enjoy reliving the sports seasons as reviewed on the following pages.

Basketball

Our basketball team has certainly made us proud of them this year. They have broken the school records which our basketball teams for the last six years have made. Skill, fairplay, and teamwork have been displayed in all of the games. The cheerleaders, band, and student body gave full support to a team that really deserved it. We feel that this year's team has brought honor to Medina High School and we hope that it will be an inspiration to future basketball teams of M.H.S.

It is evident that in the near future we will again have a high-standing varsity team.

Girls' Basketball

The team's co-captains, Bea Vidika and Sharon Miller were voted such because they had good leadership ability.

Playing several games with other schools promoted interest in team competition.

SECOND ROW: Barbara Standen, Lynn Purdum, Diane Wilson, Coach Bodamer, Ina Mollahan, Theresa Singler, Jeannette Thiele.

Varsity Cheerleaders

The varsity cheerleaders have done a great job throughout the football and basketball seasons. They have developed new cheers, and displayed a spirit that is essential for boosting the morale of our team.

Their coach, Mrs. Heiges, helped the girls plan assemblies, and practice their cheers.

Mazo Davis, Diane Davis, Lynn Purdum, Joan Anderson, Denise Snyder.

Marian Jacot, Ina Mollahan, Gloria Greene.

Reserve Cheerleaders

Marian, Ina, and Gloria led the cheering section for the Reserves during the 1955-56 season. The girls had plenty of enthusiasm and did a good job of letting the team know that the student body was behind them all the way.

ANN HEIGES

The Homecoming game is the highlight of the football season. Over this game reigned Queen Denise and attendants, Ann and Pat. Due to poor weather conditions our team failed to come out on top, but the boys fought long and hard for their Queen. After the game, students from both schools attended a dance honoring our royalty.

The Medinamite, edited by Tom Frank, was a project of the journalism class. They worked regularly to publish the paper every three weeks. Each issue contained news items on school activities, features about outstanding people, and constructive editorials. In addition to student subscriptions, alumni and other schools received our paper.

For your pleasure the staff of the 1956 Medinian has spent much time planning and working on this book.

Last summer the group attended a Journalism Workshop at Ohio University. After realizing the time and effort required to edit a yearbook the staff could not help but wonder what their position would have been if they had assumed their responsibility without proper training.

WE INVITE YOU TO VISIT OUR NEW HOME OFFICE

The new Home Office for Ohio Farmers Companies was dedicated on September fifteenth. It was made necessary by our tremendously increased business and will help us in our effort to provide better and better service to our policyholders. ■When you are in the vicinity of LeRoy why not stop in and see this beautiful building? Guided tours are available at any time. Whether you are a policyholder of our companies or not you are very welcome!
